JANUARY 1

A new year is a new chance
to start a new and better life.
Make the most of it!

JANUARY 2

At the start of this new year, reflect on what you have accomplished so far in your life and be thankful, but don't be satisfied with that. Determine to reach for even greater things, and you will achieve them.

JANUARY 3

If you want to really live, start off each day by finding something to be thankful for.

JANUARY 4

Success doesn't run around begging to be discovered. Like buried treasure, only the most believing and persevering find it.

JANUARY 5

There is no happiness
like knowing that you
have made a difference
in someone else's life.

JANUARY 6

As sure as the sun rises, God's love
will always be there for you.

JANUARY 7

To have friends, be a friend.

To be remembered, remember others.

To be loved, be loving.
